# Advanced Database System Lab

# Project Name : Keyscore

Shraddha Naik (190913013)

Harshit Yadav (190913017)

MTech CSE

## Company Internship Interview Experience for MIT MTech Computer Science Students.

Keep records of the questions asked by companies along with their topics, difficulty level and number of times asked. It will be very helpful for the students preparing for interviews by analysing the trend of different companies.Create a forum section for interacting with seniors.

Technology Stack Used :

GUI  : Web Interface

Backend  : MySQL and Django  Hosted on Microsoft Azure and Heroku
